Changes to the Climate Change Levy (CCL) From 1st April 2021, the Government changed the Climate Change Levy (CCL) rate to 0.775p/kWh for electricity and 0.465p/kWh for gas. This means that for any energy used where the CCL applies, it will be charged for at the new rate. You should review your entitlement to claim CCL reliefs to ensure that any reduction claimed continues to be correct and notify E.ON if any changes are required. For further information please see [www.hmrc.gov.uk](http://www.hmrc.gov.uk)
