(A) Actual Meter Reading (E) Estimated Meter Reading (C) Customer Meter Reading

Total Consumption of all meters in past 12 months (or since joining SSE Airtricity) is 11005743 kWh

Electricity used this period has increased by 2.6%

Difference in electricity usage is +25,545 units this year compared to the same period last year (last year amount estimated).
For further information on your consumption, visit My SSE Airtricity, your SSE Airtricity Online Account at sseairtricity.com.

Meter Readings

Every electricity customer has a consumption pattern based on previous usage. All estimates are based on this historical pattern of consumption. If at any stage you are not satisfied with an estimated reading, you can submit an actual meter reading and we will incorporate this into the calculation of your next bill.

Your meter was last read on 30/09/2021. If you would like to submit a meter reading, please visit www.sseairtricity.com or call us on 0345 266 17 87.

SSE Airtricity – Helping communities in Northern Ireland make greener choices

SSE Airtricity Fuel Mix Disclosure: January 2019 to December 2019

Electricity supplied has been sourced from the following fuels:	% total	
	Electricity Supplied by SSE Airtricity	Average for All Island Market (for comparison)
Natural Gas	56.9%	37.9%
Renewable	43.1%	54.0%
Coal	0.0%	2.6%
Nuclear	0.0%	0.0%
Peat	0.0%	4.3%
Oil	0.0%	0.0%
EU Fossil	0.0%	0.0%
Other	0.0%	1.2%
Total	100%	100%
Environmental Impact - CO₂ Emissions	261 g/kWh	254 g/kWh

For more information on the environmental impact of your electricity supply visit www.sseairtricity.com or call 0345 266 1787.

Over 43% of the electricity we supply to you is generated from renewable sources such as SSE's Slieve Kirk Wind Park, Northern Ireland's largest windfarm. In 2019, the green energy sourced by SSE Airtricity abated over 162,000[^] tonnes of harmful CO₂ emissions.

[^] 162,000 tonnes of quoted CO₂ emissions abated based on Average CO₂ Emissions (t/MWh) in the All-Island Single Electricity Market, and published by UR in its 2019 Fuel Mix Disclosure and CO₂ Emissions Report published September 2020.

Small steps to a cleaner, greener world.
By choosing SSE Airtricity you're supporting communities in Northern Ireland. SSE generates over 121 Megawatts (MW) of wind energy from its local wind farms in Northern Ireland, providing green energy that SSE Airtricity supplies to homes and businesses around the country. Since 2008, the SSE Airtricity Community Fund has provided over £3 million to 800 projects in Northern Ireland, and between September 2019 and 2020 this fund has awarded over £700,000, helping communities in Northern Ireland benefit from cleaner, greener choices.

Useful Information

SSE Airtricity Code of Practice on Complaints Handling Procedure

If you have a complaint, please contact our Customer Service Team on 0345 266 17 87 or contact us at the address at the top of the statement. There is no charge to initiate our complaints procedure. If you would like to know more about how we respond to complaints, please visit our website to obtain a copy of our Code of Practice on Complaints Handling which is accessible under the "Have a complaint?" section at the bottom of the homepage on www.sseairtricity.com. You can also request a copy free of charge by contacting our Customer Service Team.

Independent complaint resolution and advice

If we are unable to resolve your complaint, you may contact the Consumer Council at:
Floor 3, Seatem House, 28-32 Alfred Street, Belfast, BT2 8EN.

Telephone: 0800 121 6022

Fax: 028 9025 1663

Email: contact@consumercouncil.org.uk

Website: www.consumercouncil.org.uk.

In certain circumstances where the Consumer Council has been unable to resolve a billing complaint you may refer your complaint to the Utility Regulator. You can utilise the scheme at no cost to yourself and your right to go to court if you deem the solution unsatisfactory is not affected by this procedure. In line with your Terms and Conditions, you may also change your electricity supplier. Impartial advice about switching can be found at www.consumercouncil.org.uk or by phoning 0800 121 6022.

Energy Consumer checklist

The Energy Consumer checklist can be accessed from SSE Airtricity's website and if you request it, we will send a copy to you free of charge.

Energy efficiency advice

For information on how you can use electricity efficiently, contact Carbon Trust on 028 9073 4394 or online at www.carbontrust.com.

Difficulty paying your bills?

If you envisage any difficulties in paying your bills, please contact us immediately and in confidence at 0345 266 17 87 to organise a suitable arrangement. If you are finding it hard to pay your bill please tell us - we want to help.

Billing methods

You may request for bills and statements to be sent to you by electronic communication, for example ebilling, or by post. You can request this by contacting our Customer Service Team at businessenergy@sseairtricity.com or 0345 266 17 87, or using our online webchat facility.

Refunds

If your bill is in credit, you may be due a refund. Please call our Customer Service Team on 0345 266 17 87 to discuss this in more detail.

Moving premises

If you move premise, you must provide us with a meter reading on your last day at the premises and a forwarding address so that we can send you a closing bill. You'll be responsible for all the power used at the premises until you notify us to close your account. Simply call us on 0345266 17 87 with your final meter reading or visit your account at www.sseairtricity.com. Information on how to read your meter can be found on our website.

Non direct debit payment methods

We offer a range of other payment options, including; online at sseairtricity.com, by phone, cheque, debit/credit card, standing order, online transfer or bank giro.

Suspect Energy Theft?

Energy Theft is dangerous and illegal. If you suspect Energy Theft, report it immediately by calling SSE Airtricity on 0345 605 5854. You may also contact the UKRPA on 0289 575 7206 or fill in their online confidential webform at the UKRPA webpage.
